

The Plot Thickens

Stir up your ideas for a story by filling in the shapes below.

Who are your characters?

What is the problem?

Write three or four ways to solve the problem. Include one solution that is "unusual but doable."

1. _____

2. _____

3. _____

4. (This one's unusual!) _____

Choose the best attempt to finally solve the problem. Draw a star beside it.

On a new sheet of paper, write a story. Include the problem, three attempts the character or characters make to solve it, and the solution.
